

Bob Wooten

Bob Wooten is responsible for Tradition Energy's government advisory business throughout the U.S. He has over 20 years of experience managing procurement programs for a wide variety of commercial, industrial and governmental entities.

Prior to joining Tradition Energy in 2007, Mr. Wooten spent 11 years at the Houston-Galveston Area Council (H-GAC) where he managed the Energy Purchasing Corporation and coordinated energy and other procurement functions for hundreds of local governments throughout the U.S.

His professional experience includes demand-side management while working for Johnson Controls where he was responsible for delivering energy efficiency solutions to the public housing market.

Mr. Wooten holds professional certifications from the Association of Energy Engineers and the Institute for Supply Management, as well as a B.A. from Texas A&M University, and a Masters in Public Administration from the University of Houston.
