

## BEN VAUGHT

---

Ben is the President and CEO of DemandStar, an online marketplace that connects over 400 state and local government organizations with thousands of local and nationally based suppliers. Prior to DemandStar, Ben was the Director of Government Initiatives at Onvia. Ben has led multiple innovation and strategy efforts as the Senior Advisor to the Washington State Chief Information Officer and spent 6 years at Microsoft where he incubated Microsoft HoloLens®. Ben holds 39 US Patents in mixed reality and technology applications. In 2012, he successfully managed US Representative Suzane DelBene's 1st congressional campaign. Ben holds an MBA from the University of Washington Foster School of Business and a double BA in English and Government from Georgetown University.
