

JUSTIN WILSON, SCMP

Justin is a Strategic Sourcing Specialist with Manitoba Hydro, currently leading the optimization of several spend categories Transformers and Engineering Services. He has been at Manitoba Hydro in various procurement roles for the past 10 years. Justin was previously employed by Vale Ltd. as a Senior Contract Administrator. He is currently working towards his Project Management Professional (PMP) designation, already holding a Supply Chain Management Professional (SCMP), and a bachelor's degree in Psychology from the University of Manitoba. Justin volunteers his time in the Soccer community, as a past Director on the board of the Manitoba Soccer Association, and currently providing strategical support with Winnipeg's new professional team Valour Football Club.
