

MICHAEL LEVIN

Michael joined Amazon in August 2015 and helped grow organization-wide deployments of Amazon Business with 80% of the 200 largest U.S. schools and universities. Prior to Amazon, he spent 11 years leading Technology Operations for NBCUniversal's Olympics remote broadcast and then serving as the Director of Technology & Sales for NBC Learn, an Education start-up focused on the creation and distribution of curriculum-aligned current events and archival video content to thousands of education customers worldwide. Michael is a Connecticut native, Penn State alumni, and resides in New Jersey with his wife and two children.
