

STEVEN JOHNSON, CPPO, Assoc. DBIA

Steven Johnson is a manager within the Design and Construction Contracts Group at Sound Transit. He has worked at Sound Transit for over three years and has over eleven years of Architectural, Engineering and construction procurement and contract administration experience. Steve manages a staff of six procurement professionals and is currently administering over two billion dollars in procurements. In addition to his duties at Sound Transit, Steven also serves on the NIGP Leadership Development Committee and on the Finance Committee for the Washington State NIGP Chapter. In his free time, Steven enjoys spending time with his family and being outdoors.
