

Jessica Koch

Jessica Koch is CEO of Jessica L. Koch Consulting. She has been a national sales professional for more than 25 years. Her experience in Sales has led to a vast knowledge of LinkedIn. She spent 10 years working with a consulting company, expanding that firm's client base to include National Government Accounts, Fortune 500 clients, National Power Utilities, Hospitals, and Universities/Colleges. She secured a useable National Government Contract for the Consulting Company and trained and managed the sales team nationally.
