

Matt Shoemaker, OPBC

Matt Shoemaker is the Procurement & Contract Specialist III for the Oregon Department of Corrections. Previously, he spent several years as a graphic designer, served in the Army as a combat medic, and was a budget analyst for the state. He transitioned to the Oregon Department of Corrections' Health Services Division as a Fiscal Analyst, where he spent several years managing staff, budget, and personal services contract. He transitioned again to the Purchasing and Contracts unit, initially to purchase Information Technology and Security items but expanded to include Public Works-Public Improvements projects as well. While he doesn't consider himself to be a procurement expert, he takes particular interest in processes, particularly in what can be done to make them easier, more efficient, and sustainable.
