

Susannah Bruns Ali, PhD

Dr. Susannah Bruns Ali is an Assistant Professor at Florida International University. Dr. Ali's research focuses on factors that influence public sector employee career paths, with attention to the influence of the political environment and cultural elements on careerist choices. She previously worked as a Policy Analyst at the Office of the Assistant Secretary for Planning and Evaluation in the U.S. Department of Health and Human Services, where she collaborated with the White House, Congress, various Federal Government agencies, and advocacy groups.
