What future public outreach activities are planned to increase the public’s access to the work completed under the grant (e.g. tours, on-line exhibitions, social media, etc.)

Please estimate the number of people that will have access to the information/sites assisted by the grant this year and over the next five years. Also, please indicate the basis for your estimate.

Please indicate the use of the building (site) if it changed after the completion of the grant. If the use changed, please indicate what was the original use of the building or site and what is the new use.

If known, please indicate both the estimated original value of the building (site) and the current value of the building or site.
What were the major successes or obstacles you faced in implementing your grant project and what additional assistance (from partner organizations, the community, NPS, etc.) would have benefited your organization?

Please provide a quote and citation/author that describes how this project has benefited the local community and nation and how it has furthered the public’s knowledge of significant historical/cultural event(s) that shaped the nation. Note: this quote may be used by NPS and/or MSA in publications or other social media.
