

# Google Chrome – Checking for Cookie Blockers

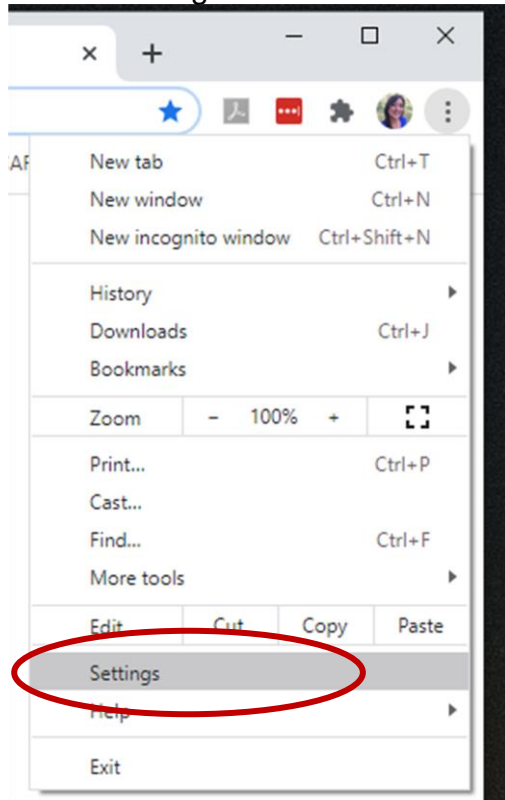

This document is to check for any cookie blockers preventing you from logging onto the North Bay Association of REALTORS website. (Housekeeping: please have all internet windows closed prior)

1. **Start** by opening Google Chrome

2. **Click** on the three dots (located at the top right corner under the X)

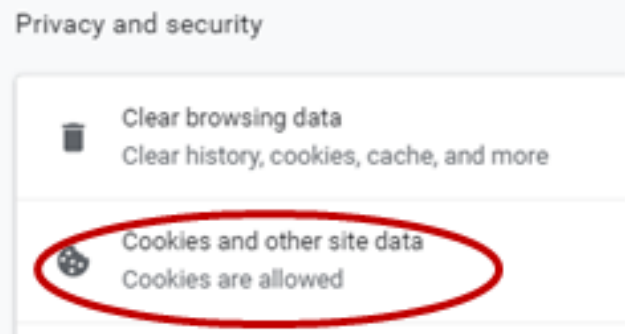

3. **Select Settings**

**What are Third-party Cookies?** (also known as tracking **cookies** or trackers) are created by “**parties**” other than the website that the user is currently visiting – providers of advertising, retargeting, analytics, and tracking services.

4. Scroll down to **Privacy & Security**  
5. **Click** on Cookies & Other Site Data

6. In General Settings **click** on the “Allow all cookies”

General settings

Allow all cookies

 Sites can use cookies to improve your browsing experience to remember items in your shopping cart

 Sites can use cookies to see your browsing activity and personalize ads

Block third-party cookies in Incognito

Block third-party cookies

Block all cookies (not recommended)
