

# PROCESS TO ACCESS MARKETING MEETINGS

To join any of the marketing meetings, log into the [Associations website](#) and then click on the North Bay Happenings graphic.

You will be automatically directed to that website. Click on Join Marketing Meetings. The list of meetings will be available. Scroll down to the meeting you wish to attend and select Join Meeting. You have been registered for all the marketing meetings automatically. You can find the Broker Tour or New Listing report the day before on this site under the meeting information.

An email will go out every Monday (except Holidays) so you will know if a Chapter is having a speaker, presentation, or event that you may want to attend.

If you need assistance, please email [info@northbayrealtors.org](mailto:info@northbayrealtors.org) or call 707.542.1579.
