

Leadership & Internal Communications

Enhance strategic communication among the board and committees to align goals and foster a shared vision.

Innovative Solutions & Services

Advance and expand innovative solutions and services, including GPO, HIE, EQRS, Billing Forum, and the QAPI Tool.

Brand & Member Engagement

Build valuable platforms and brand recognition that attract members, foster engagement, and cultivate a dynamic community.

Education & Development

Provide high-quality education, training, and Certification to support the growth and expertise of renal healthcare professionals.

Advocacy & Strategic Partnerships

Strengthen our role as a leader in the ESRD community by advancing strategic partnerships and targeted advocacy efforts.

2025–2027 Strategic Plan

With this plan, we envision strengthening dialysis and nephrology through trusted partnerships, industry expertise, innovative solutions, and data-driven advocacy—empowering organizational growth and member success.
