**RE: Low Volume Bloodline Discontinuation Notice
B3-6605M6792**

Dear Valued B. Braun Customer,

B. Braun Medical Inc. will be discontinuing low volume streamline Bloodline B3-6605M6792 due to low demand. We anticipate inventory levels of this code will be depleted in April of 2024. If you require low volume lines with a 6.35 mm pump segment, we recommend that you begin sourcing from an alternate supplier.

For more information or specific questions on this discontinuation, please contact your local sales representative or customer service at 1-800-227-2862.

Discontinued Product Code	Product Description
B3-6605M6792	LOW VOL, PRE-PUMP BOT CHAMBER 6.35MM

Sincerely,

Brenda Bley
Product Manager, B. Braun Renal Therapies
