## **RenalEdge GPO Welcomes Barnett Medical Services as a New Vendor Partner**

*RHA Members Gain Access to Member-Focused Medical Waste Services at Preferred Pricing*

RenalEdge GPO is pleased to announce a new vendor partnership with **Barnett Medical Services, Inc.**, a family-owned medical waste management company with more than 20 years of experience serving small and midsize healthcare providers nationwide.

Through this partnership, members of the **Renal Healthcare Association (RHA)** will have access to **preferred pricing** on compliant, reliable medical waste disposal services designed specifically to meet the needs of dialysis providers. Barnett's model emphasizes local service delivery through a trusted network of family-owned operators, ensuring responsiveness, consistency, and personalized support. These vendors are your local neighbors that work in your community.

Barnett Medical Services brings proven experience supporting national healthcare customers, including long-standing relationships spanning more than a decade, demonstrating its ability to deliver consistent, high-quality service at scale while maintaining a local, customer-first mindset.

"I look forward to connecting with RenalEdge members to understand their specific needs," said **Richard Espicha, National Account Manager for Barnett Medical Services**. "Our goal is simple: provide dependable, compliant service at the best possible pricing so providers can stay focused on patient care."

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit [www.RenalEdge.com](http://www.RenalEdge.com).
