RenalEdge GPO Welcomes Essential Cares as a New Vendor Partner

RHA Members Gain Access to Essential Medical and Dialysis Supplies at Preferred GPO Pricing

RenalEdge GPO is pleased to announce a new vendor partnership with **Essential Cares Supplies, Inc.**, a nationwide distributor of medical, dental, and janitorial supplies, dedicated to supporting healthcare providers nationwide. Through this partnership, members of the **Renal Healthcare Association (RHA)** gain access to a broad portfolio of essential products at preferred GPO pricing.

Essential Cares Supplies is a Women-Owned Small Business (WOSB) that serves dialysis centers, hospitals, laboratories, and medical offices nationwide. The company offers thousands of trusted products from everyday essentials to specialized equipment, including its own proprietary ECSI product line developed specifically for dialysis providers. All products are supported by fast, dependable shipping and a service-first approach.

“We’re excited to partner with RenalEdge GPO to support RHA members with reliable access to essential supplies at competitive pricing,” said **Bahar Kamjoo, Owner, Essential Cares Supplies**. “Our team understands the operational challenges dialysis providers face, and we’re committed to delivering high-quality products, responsive service, and practical solutions that help facilities maintain the highest standards of patient care.”

This partnership reflects RenalEdge’s continued focus on expanding member-driven purchasing solutions that help independent and community-based dialysis providers control costs while maintaining quality, safety, and operational efficiency.

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit www.RenalEdge.com.

About Essential Cares Supplies, Inc.

Essential Cares Supplies, Inc. (ECSI) is a Women Owned Small Business and a nationwide distributor of medical and janitorial supplies. Serving healthcare providers across the U.S., ECSI delivers high-quality products, competitive pricing, and exceptional customer service, with a dedicated focus on meeting the unique needs of dialysis providers through both leading brands and its own proprietary product line.
