## **RenalEdge GPO Welcomes Truby Achievements as a New Vendor Partner**

*RHA Members Gain Access to Profit-Driven Leadership™ Coaching and Business Support*

RenalEdge GPO is pleased to announce a new vendor partnership with **Truby Achievements**, a leadership and business coaching organization that helps dialysis clinics and mission-driven healthcare organizations achieve sustainable success.

Through this partnership, members of the **Renal Healthcare Association (RHA)** gain access to Truby Achievements' **Profit-Driven Leadership™** model, a practical, proven approach that integrates leadership development, team dynamics, and business systems to strengthen operations, culture, and financial performance without compromising patient care.

"At Truby Achievements, we understand the calling behind dialysis care and the reality that without healthy margins, even the most meaningful work cannot continue," said **Bill Truby, President and CEO, Truby Achievements**. "We have an abundance of experience in the dialysis space, and we're excited to partner with RenalEdge GPO to support RHA members with leadership tools that improve team engagement, reduce turnover, and help clinics thrive both operationally and financially."

This partnership reflects RenalEdge's continued focus on expanding member-driven solutions that support not only purchasing efficiency but also leadership effectiveness and long-term sustainability for independent and community-based dialysis providers.

Additional information about this partnership, including enrollment details, will be shared on the RenalEdge website. To learn more, visit [www.RenalEdge.com](http://www.RenalEdge.com).
