Details to Highlight

S.B. 89 amends the Budget Act of 2019 to appropriate funds in line with the governor's state of emergency declaration in California and expresses the intent to appropriate funds to assist individuals, nonprofit organizations, and small businesses experiencing economic hardships due to the impacts of COVID-19.

S.B. 943, if passed, would authorize wage replacement benefits to workers who take time off work to care for a minor child whose school has been closed due to the COVID-19 virus outbreak and require that any additional costs associated with the extension of wage replacement benefits in these provisions be paid from the General Fund.
