

State News for NSPE Members

Licensing Board Extends Continuing Education Deadline

Due to the challenges brought on by the COVID-19 pandemic, the Montana Board of Professional Engineers will be auditing the continuing education of licensees following the upcoming renewal period.

The Board has made the following changes to the audit that will be conducted:

- The deadline for completing the required continuing education has been extended 90 days from the license renewal date. The new deadline to complete continuing education is **September 29, 2020**.
- The Board has delegated the discretion to grant hardship waivers to individual licensees. To see if you qualify for a hardship, please review [Admin. R. Mont. 24.183.2105\(7\)](#). Requests for hardship waivers should be submitted to dlibsdpels@mt.gov and will be evaluated on a case-by-case basis. Nonroutine requests will still require consideration by the Board.

15 Free Courses

Each year, NSPE [provides 15 free courses](#) for members to conveniently view from the comfort of their home or office. Viewers may earn credits by viewing the webinars and passing a quiz. Upon successful completion of each session quiz with a passing score of 70% or higher, the quiz taker will receive an attendance certificate with the appropriate credits (PDHs) earned for that session.

Montana Tailing Dam Regulations Sets Global Standard

In 2014, the Montana mining industry mobilized to establish safety standards for the design and maintenance of tailings dams and storage facilities following the Mount Polley mine disaster in British Columbia. A recent *Montana Standard* article chronicles how this mobilization to enhance public and environmental safety with new regulations and PE oversight, established a new international standard.

The House of Delegates Annual Meeting

The House of Delegates General Assembly will be held virtually on **August 1**, prior to the kickoff of [Virtual PECon 2020](#), August 3–7. NSPE national officers will also be installed following the assembly.

NSPE-MT members are encouraged to reach out to their House of Delegate Representative Michael Keene, P.E., to share concerns and perspectives on professional engineering issues prior to the meeting. He can be reached at mikekeenepe@gmail.com.

Are You “In the Know”?

Members who want to get a quick overview of the Society’s news should check out the June [“In the Know with NSPE” video](#) on YouTube. The 15-minute presentation by President-Elect Tricia Hatley, P.E., F.NSPE, covers topics like the reopening of licensing and certification exams, *PE* magazine highlights, a breakdown of the Society’s [strategic plan](#), [advocacy efforts](#) on behalf of PEs, the upcoming [Virtual Professional Engineers Conference](#), the Society’s [statement](#) on social injustice, and the [Emerging Leaders Program](#).

Register for the *Virtual* PECon 2020

Registration is now open for the 2020 Virtual Professional Engineers Conference (PECon) on **August 3–7** with events centered around the annual celebration of [PE Day](#) on August 5.

Virtual PECon sessions can be experienced in a live virtual environment or by accessing recordings at a more convenient time. The virtual conference will also provide networking and social connection with colleagues by region and areas of practice in addition to professional development opportunities.

PECon at a Glance

- Keynote sessions featuring IBM's Global Chief Technology Officer and the Chairman of the National Transportation Safety Board
- Session: [Ensuring Successful Stakeholder and Community Involvement](#)
- Session: [Stormwater Pollution Prevention Planning: Compliance Guidelines for Your Facility](#)
- Session: [Professional Engineer's Role in Artificial Intelligence and Technology](#)
- Session: [Ethics of Sustainable Design](#)
- Session: [Shrinking the Distance for Virtual Teams to Succeed](#)

There are three registration options:

1. **Single Session** provides individual one PDH sessions for \$39 (\$99 for nonmembers);
2. **Day Track** provides access to three PDH sessions, networking morning "coffee talk" roundtables, and evening post session discussions for \$99 (\$279 for nonmembers); and
3. **All-Access Pass** provides 15 PDH sessions with networking morning "coffee talk" roundtables each day and event post session discussions for \$249 (\$1,149 for nonmembers).

Nonmembers can join NSPE for \$299 and receive member pricing.

Virtual PECon 2020 Free for Students

NSPE is providing the opportunity for student members to participate in the upcoming **Virtual Professional Engineers Conference 2020** for free on August 3–7.

Student members who register for the conference can sign up for a track or an all-access pass and can also attend networking events, including morning coffee talks and evening round table discussions.

Call for 2020–21 Volunteers

NSPE needs your knowledge, expertise, and time to assist our organization carry out its [vision, mission, and meet the goals of the strategic plan](#) . Volunteer positions begin in August and end at the annual conference in 2021.

These opportunities are organized into three types with various levels of engagement.

Engagement Level 1: Standing committees and select committees require the highest engagement level. They often involve attending at least one in-person meeting in conjunction with the annual meeting. Most meetings are held via conference call.

Engagement Level 2: These volunteer positions are responsible for organization activities and involve assignment to a committee, task force, or other group. Activities primarily include e-mail and conference calls.

Engagement Level 3: Ad hoc volunteers take part in activities on a project-by-project basis.

[Submit forms by July 15 to be considered for a 2020–21 term.](#)

Aiming for Leadership? This Program's for You

If you're starting your engineering career and looking toward a future of leadership, NSPE is excited to offer an opportunity to participate in the Emerging Leaders Program.

The NSPE Emerging Leaders Program is an intensive seven month, professionally facilitated, focused, practical, virtual program for emerging leaders. Between August 5 (Professional Engineers Day) and February 27 (National Engineers Week) participants will receive specific, relevant training and application on how to be successful at higher levels of leadership responsibility.

The target audience for the Emerging Leaders Program is for promising early-career professionals with 5-8 years of experience who are just beginning to lead and think strategically in the profession and their careers. The reality-based curriculum focuses on the core skills necessary to think strategically, build effective teams, deliver great service for their most valued clients, and lead successfully.

Advocacy Opportunity: Speak Out for Future PEs

You have an opportunity today to advocate for the future of the engineering profession!

H.R. 5339 ([Freedom to Invest in Tomorrow's Workforce Act](#)) amends the Internal Revenue Code to allow students with 529 Education Accounts to use those funds for expenses related to obtaining a post-education credential—including the PE license. Funds could be used for expenses associated with both exam prep and the exam itself.

The bill needs additional cosponsors in order to move forward. As NSPE's Government Relations team continues talking with House offices, your support of H.R. 5339 is crucial. The more support we have from NSPE members, the stronger position we're in to ask House Representatives to sign on.

You have the opportunity to take multiple actions if you'd like, [starting with writing a letter](#) , then following up with either a Tweet or a phone call. Or all three, if you're feeling especially ambitious!

Feel free to contact Stephanie Hamilton if you have any questions, or if you'd just like to talk about advocacy! Hamilton can be reached at 703-684-2844 or shamilton@nspe.org .

[Take action on H.R. 5339.](#)
