## 71<sup>st</sup> Annual Engineers Week Awards Banquet & Exhibition Tuesday, February 22, 2022

Grapponne Conference Center, 70 Constitution Avenue, Concord, NH

The E-Week Awards Banquet is back in person! In celebrating 71 years of National Engineers Week, we are offering an afternoon of educational sessions for a total of 3 Professional Development Hours (PDHs) for our Engineering Professionals. Due to the cancellation of the 2021 E-Week banquet, we will be honoring both the 2021 and 2022 Engineer of the Year and Young Engineer during the Awards Banquet. There will be no keynote speaker this year.

### AGENDA

#### **Educational Sessions, 3 PDHs (2:00 – 5:00 pm, order TBD)**

1. *Radon Removal Using a Venturi Injector-Based Household Aeration System* presented by UNH Professor Dr. Robin Collins and Jordan Meaney.
2. *Lebanon Downtown Tunnel Project* presented by Christopher Robert from ED Swett.
3. *Rock Row Multi-Use Development* presented by Ian MacKinnon from Jones and Beach Engineers.
4. *TBD*

#### **Exhibition & Awards Banquet**

4:30 – 5:30 pm	Exhibits open/Social hour (Cash bar & Hors d'Oeuvres)
5:30 pm	Opening Comments – Governor Chris Sununu (Invited)
5:30 – 7:30 pm	Dinner and Presentation of Awards

#### **A Note Regarding COVID**

In an effort to increase safety and comfort for all attending, we have reserved additional meeting space for both the educational sessions and the banquet. Educational session seating will be spaced apart to the maximum extent practical. Banquet tables and seating will be setup to reduce the amount of people per table. We strongly encourage the use of masks for this event.

If you have questions about the event, want to become a sponsor, and/or participate in the Exhibitors Social Hour, please contact Sam Fortier at (603) 897-5484 or [sfortier@cmaengineers.com](mailto:sfortier@cmaengineers.com).
