

New Hampshire Engineering Societies
2024 Engineer of the Year Award
2024 Young Engineer of the Year Award

We are pleased to announce the call for nominations for the Annual Engineer of the Year (EOY) and Young Engineer of the Year (YEOY) Awards for 2024. Awards for 2024 are to be presented at the 2024 Engineers' Week Awards Banquet on February 22, 2024.

EOY and YEOY are the highest awards given to individuals by the New Hampshire Engineering Societies. Each award is presented to an engineer who has made outstanding contributions to the engineering profession, the public welfare, and humankind.

This award provides the New Hampshire engineering community the opportunity to recognize outstanding individuals worthy of these honors.

The following schedule summarizes the events leading to selection of the 2024 award recipients:

Friday, December 8, 2023	Select representative of your society to serve on the selection jury. Submit juror's name, address, e-mail address, and daytime phone number to the person named below.
Wednesday, January 17, 2024	Submit electronic (pdf) copies of the application packages for EOY/YEOY candidates <u>by 5:00 pm EST</u> .
Thursday, January 18, 2024	Application packages will be distributed electronically to all jurors for review.
Wednesday January 24, 2024	Jury will convene remotely. Tentative time is 3:30 PM EST.
Thursday, February 22, 2024	Engineers' Week Awards Banquet

All submittals shall be directed to:

Jason J. Beaudet, P.E.
CMA Engineers Inc.
1 Sundial Avenue
Suite 510N
Manchester, NH 03103
(603) 627- 0708 (work)

New Hampshire Engineering Societies
2024 Engineer of the Year Award
2024 Young Engineer of the Year Award

Qualifications/Method of Nomination: All engineers are eligible for nomination, provided they are members in good standing of their engineering society, are citizens of the United States, and are licensed professional engineers (P.E.) in the State of New Hampshire or Engineers-in-Training (E.I.T). Candidates for the Young Engineer of the Year Award shall be 35 years of age or younger on December 31, 2023.

The nominee should not be informed of being considered for an award. All nominations not selected for an award shall remain anonymous and the candidate shall not be informed of their nomination.

Eligibility Requirements:

Engineer of the Year (EOY):

1. Member in good standing of their engineering society.
2. Citizen of the United States.
3. Licensed professional engineer in the State of New Hampshire or E.I.T.

Young Engineer of the Year (YEOY):

1. Member in good standing of their engineering society.
2. Citizen of the United States.
3. 35 years of age or younger on December 31, 2023.

Nomination Format: Applications should be prepared without participation of the nominee in any way. There is no prescribed form to be completed; however, the nomination package must contain the following sections:

- A. Nomination Form
- B. Statement of Nomination.
- B. Statements of Recommendation (minimum of 2).
- C. Biographical Information.

Please refer to Guidelines for the Application Package (attached). An electronic (pdf) copy of the nomination package shall be submitted to:

Jason J. Beaudet, P.E.
CMA Engineers Inc.
1 Sundial Avenue
Suite 510N
Manchester, NH 03103
(603) 627- 0708 (work)
E-mail: jbeaudet@cmaengineers.com

Selection: A jury which may include up to one representative from each engineering society will select the candidates to be recognized as EOY and YEOY.

2024 Engineer of the Year Award
2024 Young Engineer of the Year Award**

Guidelines for the Application Package

A. Nomination Form:

The nominating person(s) shall complete attached Nomination Form.

B. Statement of Nomination:

The nominating person(s) shall prepare a typed statement supporting the selected candidate for consideration for the Engineer of the Year (EOY) or Young Engineer of the Year (YEOY) Award. The nominating statement shall be signed and dated by the nominating person.

C. Statements of Recommendation:

Statements or letters shall be written by a minimum of two engineers, knowledgeable of the candidate's achievements and characteristics worthy of consideration to support the nomination. These statements shall be written to provide a concise picture of the candidate as an outstanding engineer and citizen and shall be signed and dated by the author.

D. Biographical Information:

The biography should cover, but need not be limited to, the following items:

- ☐ Education, including continued education;
- ☐ Licenses held (licensure not required);
- ☐ Memberships in both technical and non-technical organizations;
- ☐ Industrial experience;
- ☐ Engineering experience;
- ☐ Engineering research and development experience;
- ☐ Technical and non-technical papers authored;
- ☐ Patents held;
- ☐ Service to the profession;
- ☐ Service to the community and for the benefit of humankind;
- ☐ Honors or awards bestowed (technical, professional, governmental, educational, and civic);
- ☐ Unusual assignments;
- ☐ The individual and their family; and
- ☐ Support of, and participation in, unusual or interesting activities

The above items are to be included in the biography as they apply and should provide a clear portrait of the candidate as an outstanding engineer who has exhibited exemplary behavior in their interactions with society and the environment.
