

Dear Engineering Professional:

Engineering has played one of the most, if not the most, important role in the improvement of virtually every aspect of human life. Practically everything that surrounds us in the modern world is the result of the human race's ability to transform concepts, raw materials, and possibilities into practical, working goods and services. Behind every step forward stands an engineer.

National Engineers Week (E-Week) is dedicated to raising public awareness of the engineers' contributions to quality of life by promoting recognition among parents, teachers and students of the importance of a technical education and a high level of math, science and technology literacy. We are confident that our efforts will motivate youth to pursue engineering careers in order to provide a diverse and vigorous engineering workforce. Each year, E-Week reaches thousands of schools, businesses and community groups across the United States.

E-Week is being observed from February 20 through 26, 2022. Some of the activities that will be taking place locally include: presentations at elementary, middle and high schools by local engineers; and MATHCOUNTS. Locally, E-Week will be celebrated on May 7, 2022, with an in-person awards finale banquet.

Your financial support will help to ensure the success of the various activities of E-Week and the finale banquet. Your generous contribution will help support our local Future Cities Competition winners, other STEAM activities, Charlie Vaughn NSPE-NV Scholarship, defray the costs of the awards finale banquet and other E-Week activities.

National Engineer's Week 2022 Finale Banquet

Sponsorship opportunities available for the following items:

Item	Cost
The Alice	\$2,000
The Queen of Hearts	\$1,000
The Cheshire Cat	\$500
The Mad Hatter	\$250
The Caterpillar	\$100

Please visit [NSPE-NV.org](https://www.nspe-nv.org)
for specific benefits
for each sponsorship level.

This is a great way to get your company's name in front of the decision makers from the engineering community and public works officials throughout Southern Nevada. We are counting on your support to help make E-Week a success. Please use the contact information provided below if you have any questions, would care to sponsor one of the above items, or would care to make a cash or check donation.

Please make checks payable to NSPE (TIN 94-2978625) and mail to:

Attn: Naik Banavathu

6700 Paradise Road, Suite E, Las Vegas, NV 89119

Additional information regarding National Engineers Week, the local E-Week activities, and the Finale Banquet can be found at:
<https://www.nspe-nv.org/home>.

Thank you in advance for your support!

Thank you,

Christian Herrera
