ESSAY: The essay should discuss your interest in engineering, your major area of study and area of specialization, and the occupation you propose to pursue after graduation. What are your long-term goals and how do you hope to achieve them? The essay may also include any other information that is relevant to your career plans. The essay should be a typewritten or computer-printed essay of no more than 500 words, double-spaced. Put your name and major field of engineering at the top of the page.

Name: _____

Do you have any family/financial responsibilities that should be considered when reviewing your application?
(NOTE: Some scholarships being offered are strictly merit based, others may consider financial need.)

Assemble the application in the following order. Do not use a report binder.

1. Application
2. Recommendation of Teacher (at least two)
3. Employer Recommendation (optional)
4. Essay (maximum 500 words)
5. Official Transcripts (must be in sealed envelope)
Your high school transcript should indicate **your courses for the first semester of the 12th grade**. It should also clearly indicate on the transcript all courses that are included in the high school "honors" or "advanced placement" programs, any courses completed from a college or university curriculum for which high school credit is earned; and any credits earned from a special industry program. This information will be used to award supplemental credit to the applicant.
6. SAT/ACT scores (This does not need to be an official report.)

REQUIRED INFORMATION (Signatures) *Applications without required signatures will be disqualified.*

Scholarship Applicant:

I authorize my school officials to give information about my academic records to the Delaware Engineering Society. To the best of my knowledge, the information presented on this application is complete and true.
