

RE: DES Scholarship Program Application Instructions

Dear Student:

The Delaware Engineering Society (DES) is pleased to announce the 2021-2022 scholarship program for Delaware high school seniors who plan to enroll in a college engineering program next fall. The scholarships are offered in conjunction with two other organizations: The Society of Women Engineers- DelMar Section, and the University of Delaware. The scholarships and requirements are listed below. If additional scholarships become available, you will be considered based on your application, SAT scores, transcript, and essay.

Delaware Engineering Society - Joe J. Welker Memorial Scholarship \$1500 to \$4000 for Freshman year

Requirements: High school senior who will enroll in Engineering Program at ABET accredited college/ university for Fall 2022
Min. SAT scores: Math- 600, Verbal-500, Writing - 500

Society of Women Engineers-DelMar Section Scholarship (Scholarship Value to be determined)

Requirements: Female high school senior who will enroll in Engineering Program at ABET accredited college/ university for Fall 2022
Min. SAT scores: Math- 600, Verbal-500
or Min. ACT scores: Math-29, English-25

University of Delaware Engineering Scholarship \$2,000/ yr., renewable for 4 years

Requirements: Apply for enrollment as a full-time student in Engineering Program at the University of Delaware by December 10, 2021
No scholarship application or essay required. All Delaware residents who apply for Fall 2022 freshman admission into the College of Engineering by December 10, 2021 will be considered.

A copy of the application for the scholarship program is enclosed. Applicants must be Delaware residents or graduating high school seniors from a Delaware school. The application discusses additional essay and transcript requirements.

The application must be completed and returned to the DES Scholarship Committee by December 31, 2021. Separate applications are not required for each of the above awards. However, your application must include the names of awards for which you are applying. DES cannot be responsible if sponsor(s) terminate funding of the scholarship at any time. If you have any questions or need additional information, please contact Brett Marshall (302) 351-5246 or bmarshall@pennoni.com.
