### **MATHCOUNTS Delaware State Coordinator Needed**

Help prepare the next generation of engineers, doctors, scientists and teachers by volunteering with MATHCOUNTS! There are many ways to volunteer. We are currently looking for a new MATHCOUNTS Delaware State Coordinator. After many years of great service, our previous State Coordinator has stepped aside. MATHCOUNTS is a national program that provides students in grades 6-8 the opportunity to compete in live, in-person contests against and alongside their peers. In March each year, the Top Students participate in the State Competition. The Top 4 individual competitors from each State Competition receive an all-expenses-paid trip to the National Competition in May. The State Coordinator is responsible for encouraging the local schools to participate and organize the competition for the State of Delaware. If you're interested in finding out more about this volunteer role please click here to watch a video we have created for new/prospective coordinators. If you are interested in getting involved please email [jtaylor@duffnet.com](mailto:jtaylor@duffnet.com) for more information.

## Call for Nominations

NSPE is seeking nominations for the position of 2020–2021 Vice President, who also serves as President-Elect in 2021–2022 and President in 2022–2023.

Nomination packages must be submitted to the NSPE Secretary, Mark Golden, and received by **January 13, 2020**. The NSPE Secretary will forward all qualified submissions to the NSPE Candidate Screening Committee for consideration. Please review carefully the information that includes candidate qualifications, expected time and financial commitments for officers, and the requirements of the nomination process.

If you have any questions, please [email the NSPE Executive Office](#). We look forward to your assistance in identifying outstanding, qualified leaders!
