DES Scholarship Program

The Delaware Engineering Society (DES) is pleased to announce the 2019–2020 scholarship program for Delaware high school seniors who plan to enroll in a college engineering program next fall. The scholarships are offered in conjunction with two other organizations: The Society of Women Engineers- DelMar Section, and the University of Delaware. The application must be completed and returned to the DES Scholarship Committee by December 29, 2019. Separate applications are not required for each of the above awards. However, your application must include the names of awards for which you are applying. DES cannot be responsible if sponsor(s) terminate funding of the scholarship at any time. If you have any questions or need additional information, please contact Brett Marshall (302) 351-5246 or bmarshall@pennoni.com.

Now Available: Commentary on Construction Documents

The Engineers Joint Contract Documents Committee—a joint venture of NSPE, the American Council of Engineering Companies, and the American Society of Civil Engineers—recently released [commentary on its 2018 construction documents](#) . EJCDC documents are the first choice, and most user-friendly, among standard documents for infrastructure and public works construction in the United States.

EJCDC documents are available to NSPE members at a 50% discount.

C-001 Commentary on the 2018 EJCDC Construction Documents , at 184 pages, contains in-depth descriptions of each of the 25 documents in the EJCDC construction series and explains their use. The commentary includes definitions of terms, cross-references and abbreviations, and a detailed discussion of terms and conditions.

The EJCDC construction series of documents assumes the design engineer is involved during construction. C-001 explains how to use each document in the series during the process. There is also a discussion of the *Contractor for Construction of a Small Project* document and its use.
