RISPE CHAT: MATHCOUNTS

Dear RISPE Members,

To further promote the mission of RISPE, I am excited to announce that MATHCOUNTS is now a RISPE chapter. This means that MATHCOUNTS can gain access to RISPE’s national network, resources, and opportunities.

Mathematics can be a challenging subject for many students, but with the right support, it can also be an exciting and rewarding one. MATHCOUNTS is a national math club that provides students with the opportunity to develop their mathematical skills and explore new concepts in a fun and engaging environment. By partnering with RISPE, MATHCOUNTS can reach a broader audience and provide even more students with the support they need to succeed in mathematics.

As a result of this partnership, RISPE will be able to offer MATHCOUNTS members access to our national network, resources, and opportunities, including access to professional development opportunities, grants, and funding. We look forward to working with MATHCOUNTS to provide our members with even more opportunities to engage with mathematics and develop their skills.

I encourage all RISPE members to support MATHCOUNTS and help promote this exciting new chapter. Together, we can make a difference in the lives of our students and help them achieve their full potential.

Sincerely,
[Your Name]
