

Please join Sigma Theta Tau - Eta
Chapter for the
Littlest Angel Service Event

Date: Tuesday, April 9th

Time: 3-6 PM

Held in the NHS 225

Littlest Angels is a volunteer organization created by Magee NICU nurse Rose Ann Milbert, to repurpose bridal gowns into lovely “Angel Gowns”- small dresses that are provided to families of infants who have pass in the hospital. They can be used by the family for burial or kept as a keepsake to honor their child’s brief, but impactful life. Each gown is handmade and is different, and mean a lot to the people who receive them! We will be helping Rose Ann to cut out the patterns from the dresses so that she can sew them into the gowns.

Everyone is welcome! No experience necessary!
