*To Sigma Theta tau we pledge with reverent awe,  
To stand in truthful visions,  
That you so long foresaw:  
Rich knowledge pursued and true values imbued,  
We commit to excellence and seek to scholarship gain,  
So that a higher plan  
We might attain*

*Firm now we stand on this great command,  
That ours is to care, to show through the night,  
With values pure, Commitment sure  
We are facets of light.*

#### *Refrain*

*During the 34<sup>th</sup> Biennial Convention and in commemoration of  
Sigma Theta Tau International's 75<sup>th</sup> Anniversary, the Society's new anthem  
will hereafter become a part of the ceremonial proceedings of
