

## Registration Information

Wellspan employees can register for this program via the Learning Management System (LMS) using key word “research”. Non-Wellspan participants must register by completing the registration form and returning it with the registration fee no later than March 27, 2009 to:

Diane Sargeant  
Education Services  
Wellspan Health  
1135 S. Edgar Street, Suite 101  
York, PA 17403

Checks can be made payable to  
“Wellspan Health”

**Proper Business Attire is required. No denim please. Participants are encouraged to dress in layers to account for fluctuations in room temperature.**

## Our Plenary Speaker

**Robin Rensburg, PhD,  
GCNS, BC, FAAN**

Dr. Rensburg is the Director, School of Nursing, and Associate Dean, College of Health and Human Services, George Mason University. Prior to this, she was the Deputy Director of the Division of Health Care Statistics at the National Center for Health Care Statistics (NCHS) and Chief of the Long-term Care Statistics Branch. Under her direction, the Long-term Care staff completed a major redesign of the National Nursing Home Survey and conducted the first National Survey of Nursing Assistants.

Robin Rensburg is a clinical specialist in Gerontological Nursing and immediate past president of the National Gerontological Nursing Association (NGNA). Her research focus has been on improving clinical care in nursing homes.

Dr. Rensburg received her BSN from the University of North Carolina Chapel Hill, her MSN from the University of North Carolina Greensboro, and her PhD. from the University of Maryland.

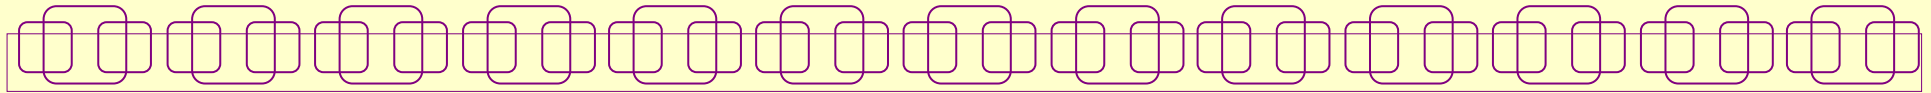

## EBP and Nursing Research: Bring it to the Bedside!

Presented by  
Eta Eta Chapter, STTI  
Memorial Hospital Nursing  
Wellspan Health Nursing  
and York College of PA  
Nursing Department

**April 30, 2009**

**Country Club of York  
York, PA**

## Target Audience:

All nurses and nursing students who want to be “inspired” to get involved with research and Evidence-Based Practice projects.

## Objectives:

The learner will be able to:

1. Identify researchable questions from areas of practice that have or lack an evidence base
2. Recognize the need and contribution of nursing research to local, state, and national issues

## Directions to Event
