

Nu Rho at-Large Chapter

Family Violence During Pandemics and Disasters: Tranquility Turned Tempest
A Continuing Education Presentation
Through Nu Rho Chapter at Large of Sigma Theta Tau International Nursing Honor Society

Tuesday, February 23, 2021 @ 7:00 pm CST

OBJECTIVES:

- During times of disasters and pandemics it is important for health care to:*
- 1. Distinguish changes in patient assessment approaches**
 - 2. Prioritize multi-level patient centered needs**
 - 3. Formulate with patient input a safety plan for use during pandemics and/or disasters**

Presented by Sue Gabriel, Ed. D, MSN, MFS, RN, SANE-A
Associate Professor and Adult / Graduate Program Director in Nursing
Nebraska Wesleyan University
