The Role

The National Women’s Studies Association (NWSA) Governing Council (or Board) includes four elected Members-at-Large who are primarily responsible for representing the interests of the membership. They also serve on the Finance and Elections Committees, and may serve as Member Liaison. They also facilitate our new NWSA Care Communities.

Members-at-Large represent and advocate for the Association’s expansive membership. Additionally, the Member Liaison focuses on fostering seamless communication between the membership, National Office, and Board, and serving as an advocate and conduit for Constituency Groups and their leaders.

Finance Committee

Chaired by the Treasurer, the Finance Committee safeguards NWSA’s fiscal health and integrity, which includes appropriate financial planning and reporting, developing and implementing policies that protect the Association’s assets, approving the annual budget, filing required legal documents, and fundraising.

Elections Committee

Chaired by the Vice President, the Elections Committee fosters leadership and development opportunities, ensures the integrity of elections, and cultivates eligible candidates during elections cycles.
