

Welcome back to OATUG!

We are excited for you to see our new member portal. Please follow the following instructions to create your new login!

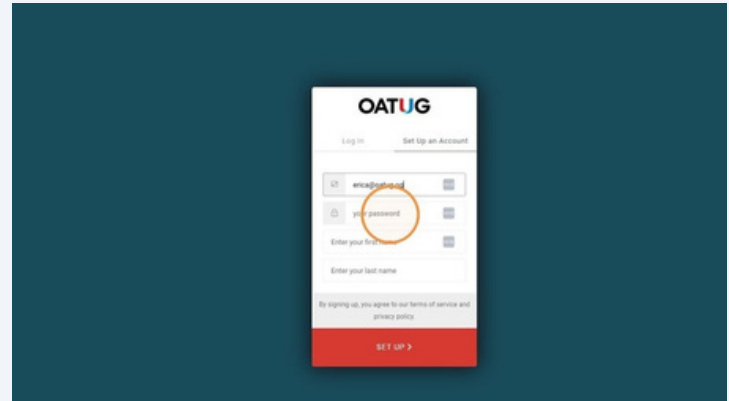

Login on oatug.org OR directly at portal.oatug.org

1 Click "Set Up an Account".

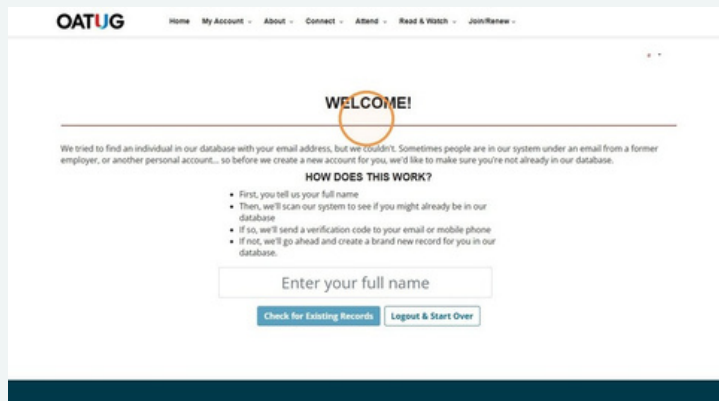

If you try to login and select "Don't remember your password?" and receive an email. Click "Set Up an Account" to create a new username and password. Previous usernames and passwords will not work within our new platform.

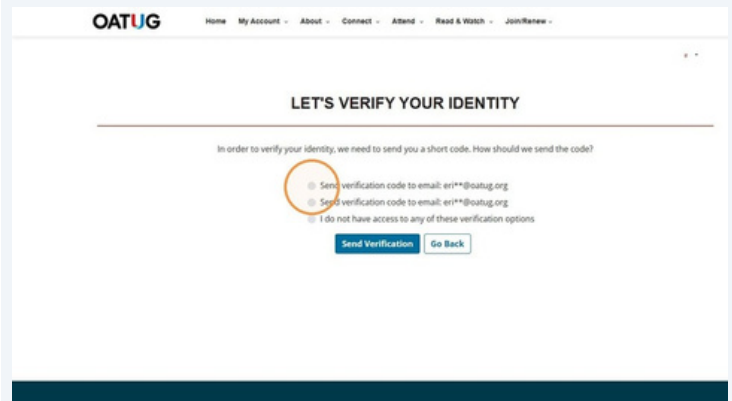

2 Create your username and password

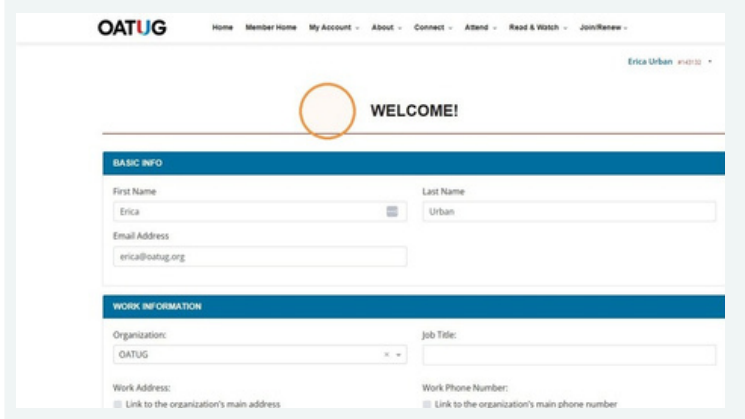

3 You will navigate to the following welcome page to check for existing records. Enter your full name and click "Check for Existing Records".

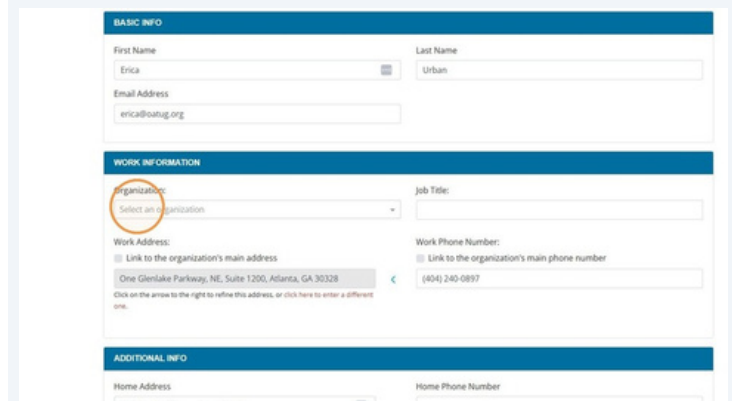

4 You will be asked to verify your email.

5 Once you login, you will be prompted to update your personal information and work information.

6 To link to your company record, you will begin to enter your organization name, and a list should populate with related records. Please connect with your Ambassador for the correct format of your organization name.

Please contact membership@oatug.org with any questions!
