# 2019 OAUG Terms & Conditions

## RATE POLICY:

Rate protection for advertisers that sign full-year contracts is valid only through that contract year. Failure to insert the contracted number of ads during a one-year period results in short-rating on the rate card under which advertising was booked. OAUG reserves the right to change rates upon notice.

## PAYMENT:

First-time advertisers must submit pre-payment with the first insertion order to establish credit. OAUG will invoice advertiser for subsequent insertions pursuant to the current rate schedule. Advertiser shall pay all invoices net fifteen (15) days from date of invoice.

## CHANGES OR CORRECTIONS:

Requested changes or corrections to advertising material must be presented in writing and received by OAUG within 24 hours of the materials deadline date. Any changes or corrections are made at OAUG's sole discretion. Advertiser agrees to pay for any costs incurred as a result of such changes or corrections.

## MISCELLANEOUS:

- The subject matter, form, size, wording, illustration, and typography of the advertising shall be subject to the approval of OAUG. OAUG shall have the right to reject or omit any advertisement which OAUG, in its sole discretion, considers unsuitable for any reason or contrary to the policies of OAUG (including, but not limited to, recruiting advertising and advertising from firms whose financial or manufacturing application products directly compete with Oracle Applications).
- Unless you make written objection within 10 days of the rendering of any bill for advertising published for OAUG, such bill shall be conclusive as to the correctness of the items therein set forth and shall constitute an account stated.
- If an OAUG member has an outstanding receivable over 60 days past due (such as an advertising invoice), OAUG reserves the right to cancel any and all space that member has reserved in any OAUG Conference Exhibit Hall. OAUG also reserves the right to apply any payments made to OAUG for cancelled Exhibit Hall space to the outstanding receivable. The member also runs the risk of OAUG membership revocation.
- OAUG reserves the right to cancel any advertising at any time upon default by the advertiser in the payment of bills or in the event of any other substantial breach of these terms and conditions by

the advertiser. Upon such cancellation, charges for all advertising published and all other charges payable to OAUG shall become immediately due and payable by the advertiser.

- If OAUG is unable to arrange for publication of any advertisement in the type or style requested, it may: (i) arrange for publication of such other advertisement in such other type or style as in its opinion most nearly corresponds thereto, and the advertisement may be inserted without submission of proof unless proof before insertion is requested on the face of the order; (ii) ask for new media; or (iii) take such action as in its sole discretion it shall deem appropriate.
- Failure by the OAUG to insert advertising in any particular issue or issues invalidates the order for insertion in the missed issue but shall not constitute a breach of agreement.
- OAUG may reject or omit any advertisement when the space allocated to advertising in a particular issue for which such advertising is ordered has all been taken. OAUG may also limit the amount of space an advertiser may use in any issue.
- The advertiser agrees to indemnify and hold harmless OAUG, its directors, officers, employees, agents, and members for all losses, costs, damages and expenses, including reasonable attorneys' fees, arising from any claim for infringement of the rights of third parties based upon publication of the advertising in question.
- Any amount due OAUG for advertising if not paid within 30 days of the date of the bill in question shall accrue interest from such date of one and one half percent per month or the legal limit, whichever shall be less.
- No terms and conditions for any advertising other than those stated herein shall be binding on OAUG, except with its explicit written consent.
- OAUG shall have no responsibility or liability for any materials sent it by any advertiser nor for any errors in any advertising form, size, wording, illustration, typography, or any other matter relating to any advertiser, including the advertiser index.
