

# Zearn Math in Ohio: Implementation Updates

Attend a **free** webinar hosted by OESCA and Zearn math, in partnership with the Ohio Department of Education and Workforce.

**November 6, 3:00 – 4:00 pm**

Join ESC math instructional coaches, ESC curriculum directors, state support team consultants, Zearn, and ODEW for a panel discussion on how ESCs, districts and schools are helping students catch up and move forward in math.

Learn how ESC leaders launched Zearn Math in their districts and hear about its early impact. Participants can also share insights on improving math education resources and outcomes.
