The Open Forum is one of the main, if not the main, highlights of the community. It is the place where all members can join to share information, collaborate with one another, and gain knowledge. But there are other valuable communities on the site that are worth a look. Join them today!

Take the Job Board community for example. Recently on the job hunt? Or, maybe you are unsatisfied in your current role and you have decided to casually look for something better. This community is used exclusively for jobs related to the CDFI Industry. Know of a job available? Post it in this community! Think of it as job searching but through your close personal network.

There are plenty of communities for you to check out today! Interested in a community dedicated to the advancement of women who work for CDFIs? Join CDFI Women's Network! Are you working in the small business sector? We have a Small Business Finance community that would be perfect for you.

Check out these communities today to learn more.

Upload a Library Resource

The screenshot shows the 'OPEN FORUM' community interface. At the top, there is a green header with 'OPEN FORUM' and 'SETTINGS MODERATION ALERT'. Below the header, there are navigation tabs for 'COMMUNITY HOME', 'DISCUSSION 1.2K', 'LIBRARY 68', 'EVENTS 21', and 'MEMBERS 8.2K'. The 'LIBRARY' tab is selected. On the right side, there is a blue button labeled 'CREATE NEW LIBRARY ENTRY' which is highlighted with a red rectangular box. Below the navigation, there are sections for 'FOLDERS' and 'FOLDER CONTENTS'. The 'FOLDERS' section shows a folder named 'Open Forum'. The 'FOLDER CONTENTS' section lists several library entries, including '2017 Native CDFI Survey: Industry Opportunities and Limitations', '2019 ESG & SRI Investing Outlook', and others.

- Locate the community you would like to upload a resource to and click “create new library entry.” Give your resource a title, select the type, and click next to upload!

The screenshot shows the 'CREATE NEW LIBRARY ENTRY' form. At the top, there is a 'Title*' field. Below it is a 'Library*' dropdown menu with 'OPEN FORUM' selected. The 'Description' field is a rich text editor with a toolbar containing various formatting options like bold, italic, underline, and link. Below the description field is an 'Entry Type: Select the type of library entry you will create *' dropdown menu with '[SELECT TYPE]' selected. At the bottom, there is an 'Owner' field with a 'LOOKUP' button. The 'NEXT' and 'CANCEL' buttons are at the bottom left. Red arrows point to the 'Title*', 'Library*', and 'Entry Type' fields.
