

OSUNO/OSUWMC Joint Scheduling Task Force: Guidance on Holiday Benefit Pay versus Holiday Premium Pay when the Holiday falls on a weekend

This statement is intended to provide clarity and certainty for, nursing supervisors, nurses, and managers on scheduling and compensation. Specifically, how Holiday Benefit Pay and Holiday Premium Pay are treated when the holiday falls on a weekend.

This year 2021 the Holidays that will be affected by this are July 4th, Christmas, and New Year’s. Below are some examples of how your schedule and corresponding pay would be.

July 4th Holiday (A 90% FTE only has to account for 36 hours in the week. If you typically work 3 – 12’s your schedule could look like this):

7/4 Sun (Holiday Premium)	7/5 Mon (Holiday Benefit)	7/6 Tues	7/7 Weds	7/8 Thurs	7/9 Fri	7/10 Sat
Work	Work		Work			
	Work	Work	Work			
Work	HolidayOFF			Work		
	HolidayOFF			Work	Work	

The 4th of July falls on a Sunday this year. Therefore, the Holiday Premium will be paid on the actual holiday and the Holiday Benefit Pay will be paid on the following Monday per the contract.

1. July 4, 2021 – Holiday Premium Pay Day
2. July 5, 2021 – Holiday Benefit Pay Day

Holiday Benefit Pay (Monday July 5th):

All Fulltime Nurses (.9FTE or above) will receive 8, 10 or 12 hours on this day based upon 50% or more of the nurse’s scheduled shifts during the four-week schedule posted.

1. If you work on the Benefit Day you will receive the hours you actually work, plus the holiday Benefit Pay.
2. If you do not work on the Benefit Day you will still receive the 8, 10 or 12 hours of holiday Benefit Pay.

Part-time nurses who do not work on a holiday shall receive holiday benefit pay for the holiday benefit date on a pro-rata basis according to the percentage of their appointments of eight (8) straight time hours.

Assuming you are .9 FTE and work 3- 12’s:

If you **do not work** the holiday benefit day you will be required to work 2 additional shifts that week

* If either of these shifts falls on Sunday, July 4th you will be paid premium that day and receive 1.5x hourly rate

If you **do work** the holiday benefit day you will receive 12 hours holiday benefit pay + 12 hours of pay and will be required to work 2 additional shifts that week

* If either of these shifts falls on Sunday, July 4th you will be paid premium that day and receive 1.5x hourly rate

** overtime would apply as applicable

For the Purposes of Cancellation when a Holiday Falls on the weekend: The day that has the Premium Pay attached to it (the actual Holiday) will be considered when offering Voluntary Time Off by seniority only in accordance with Article 14.3

Current Contract Language:

The current collective bargaining agreement Article 14, Section 3 contains the following language:

Cancellation of hours:

When there is a need to reduce the number of staff on a unit, the process will be as follows:

1. *Cancellation of traveler/agency in overtime*
2. *Voluntary time off will be offered in order of seniority to nurses in extra hours as noted on the schedule for that day.*
3. *Cancellation of IRP nurses in order of inverse IRP seniority on a rotational basis.*
4. *Cancellation of extra hours for regular nurses in inverse order of seniority.*
5. *Voluntary time off will be offered to regular nurses in order of seniority on a rotational basis **(Voluntary time off on Paid Holidays will be offered in order of seniority only)** Voluntary time off will be mutually agreed upon.*
6. *The Hospitals shall cancel traveler/agency RNs before requiring other nurses to take mandatory time off.*
7. *Mandatory time off will be assigned to nurses in inverse order of seniority on a rotational basis. If mandatory time off is being assigned before the start of the shift, the Hospitals will provide at least one and one-half (1 ½) hours' notice to the RN(s). No advance notice will be required for nurses who are working. The nurse may, at the nurse's option, use available vacation, compensatory time or leave without pay. If the shift is unpaid, the nurse shall receive service credit for all purposes of seniority. In no case shall a charge nurse be required to mandate another staff nurse to take time off. **

**** No nurse may be directed to take mandatory time off on more than one holiday date in a fiscal year. If a nurse meets the above limits, the nurse will be exempt from taking mandatory time off for the remainder of the fiscal year. (see Article 14, Section 4)***
