

BACHELOR OF SCIENCE IN NURSING

PROGRAM HIGHLIGHTS

Our accredited B.S.N. program was the first nursing undergraduate program in northwest Ohio. After years of innovative education, we remain committed to developing nursing leaders who will shape the future of healthcare.

UToledo students learn in a nationally recognized academic environment on one of the most technologically advanced campuses in the nation. Once admitted to our B.S.N. program, you'll have the opportunity for experiential learning at the Lloyd A. Jacobs Interprofessional Immersive Simulation Center, which features advanced clinical simulation. You also will benefit from UToledo's interprofessional education program, where you will learn and practice with students from other health profession programs.

UToledo B.S.N. Admissions Pathways:

- UToledo's College of Nursing will offer DIRECT ADMISSION into the competitive program of bachelor of science degree in nursing. Requirements include: 3.6 GPA and 23 ACT/1130 SAT, 3.8 GPA for test-optional applicants. Students will then need to maintain a 3.5 higher education GPA (once at UToledo) in order to maintain their guaranteed seat in the program.
- Students are admitted into the PRE-NURSING B.S.N. curriculum with: 2.75 GPA and 19 ACT/990 SAT and above, 3.0 GPA for test optional applicants. Upon completion of the pre-nursing curriculum, there is a competitive admission process for the professional sequence.

Visit utoledo.edu/apply to apply to the B.S.N. program.
