FUELING TOMORROWS

Learn from a proven leader in nursing education

Stay competitive in your profession by advancing your degree in The University of Toledo's RN-B.S.N. program. UToledo's College of Nursing is an established nursing education leader, proven and accredited for nearly 40 years. The excellence of our courses and expert faculty are recognized by Quality Matters — a nonprofit committed to ensuring high standards in education. Drive your career forward with one of the few RN-B.S.N. program in the country to earn a Quality Matters distinction.

Be supported by faculty every step of the way

You can easily succeed in our online program with guidance, support and feedback from our dedicated professors and staff. All online faculty have professional experience and full-time teaching status.

Take the next step toward your degree

We accept applications throughout the year. Standard admission requirements include:

- Active, unrestricted, unencumbered RN license
- Minimum cumulative 2.0 GPA in all coursework
- Grade of "C" or higher in all required post-secondary coursework
