

# Annual Holiday Nut Sale

The District Three, ONA Ways & Means Committee exists for the main purpose of raising funds to financially assist the District Three, ONA delegates to attend the ONA Biennial Convention and House of Delegates.

The committee plans and executes an annual Holiday Nut Sale in order to achieve this goal. That NUT SALE has taken place under the District Three, ONA name since 1984 (prior to that, the sale was conducted by the private duty nurses of The Professional Nurses Registry) and is under way for 2021-2022 Holiday Season.

Every year the district contracts with the Peterson Nut Company to provide the area with the most delicious, high quality and reasonably priced gourmet nuts available to the tri-county residents and this year is no exception. These gift packaged delicacies are available in one pound cello containers and two pound tins (shown above), in your choice of mixed or cashews will be accessible at the office late October. Please call the office at (330)799-4199 to place your order.
