

First Annual Louisiana Cancer Congress

Friday, March 29, 2019

7:00 AM—2:45 PM

Harrah's Hotel—New Orleans

Drastic changes in healthcare reform and medical research are requiring oncology practices to think outside the box in order to maximize operations while continuing to improve cancer care delivery. Register today to experience a collaborative forum for exploring the most exciting clinical advances in cancer treatment, unique perspectives on the impact of national policies on state-level initiatives, and more!
