Join us for ONS Bridge™, our annual virtual event designed to connect oncology professionals in direct patient care to peer-to-peer networking, educational live events, and more all from the comfort of your own home or office.

- **Earn 22 nursing continuing professional development (NCPD) contact hours** in sessions focused on Care Coordination and Updates in Therapy.
- **Engage with peers and industry experts** during live daily educational sessions and networking events.
- **Acquire individual learning needs assessment (ILNA) points** to put toward ONCC recertification.
- **Gain cutting-edge treatment information**, symptom management knowledge, and patient resources.
- **Interact with industry supporters, advocacy leaders, and hospital recruiters** by visiting our interactive virtual learning hall and attending industry events.

ONS Bridge evaluations are due by 11:59 pm ET on October 14, 2021.
