ONS Bridge™ Chapter Toolkit

ONS Bridge is right around the corner, and it's a great way for your chapter members to learn and network while we can't all meet in person. If your chapter is planning to offer registrations to your members, group discounts are available. You can also connect not only with your chapter members but with other attendees through discussion boards, group chats, and more. Use this toolkit to generate excitement about our premier virtual conference with your chapter members.

What is ONS Bridge?

ONS Bridge, the Oncology Nursing Society's premier virtual conference, features both live sessions and on-demand content in one unique digital experience. Tailored to nurses in direct patient care, attendees can earn up to 22 nursing continuing professional development (NCPD) contact hours across sessions presented in two themes, Care Coordination and Updates in Therapy. Sessions will be offered live on September 9, 14, and 16, 2021 and made available on-demand through October 14, 2021, so that you can learn on your own time. ONS Bridge also features an interactive virtual learning hall, industry events, and real-time networking opportunities, to connect you to other nurses and oncology professionals.

To earn NCPD credit, attendees must submit their ONS Bridge evaluation by 11:59 pm ET on October 14, 2021.

Is this your first fully virtual conference? We've got you covered with ONS Bridge 101, a presentation offered during the virtual conference that features a complete guide to navigating and accessing the ONS Bridge including tips for you and your chapter members to make the most of the experience.

Registration Information

Conference Pricing:

\$209 for ONS members

\$289 for nonmembers

While not all chapters are hosting meetings in person right now, those who are may consider watching on-demand sessions together to promote group learning and collaboration. Please note that only registered attendees are eligible to earn NCPD credit.

Group registration discounts are available to ONS chapters. Receive 10% off the member registration price when you have 10 or more nurses attending ONS Bridge. [Learn more and register your chapter members today!](#)
