

You're Invited!

TEMPUS/Dallas ONS Dinner Event

Thursday, October 12th at 6pm

Join us for an educational presentation on the Tempus Precision Medicine Platform with our Medical Science Liaison, Lisa Macera.

IN THIS SESSION, YOU CAN EXPECT TO LEARN:

- TEMPUS NGS Ordering and Testing Options: Tissue, Liquid Biopsy, Germline, Immunotherapy Biomarkers, Add-On Tests: HRD, Tumor of Origin, DPYD
- Unique benefits of the TEMPUS Platform: Tumor/Normal Match, Whole Transcriptome RNA sequencing, conversion options
- Robust financial assistance program
- Review of case studies and the clinical utility of our 648 gene
- DNA/RNA xT test and xF liquid biopsy test
