Disclosure:

Essentia Health requires that everyone who is in a position to control content disclose all financial relationships with ineligible companies. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used on or by patients. None of the planners, faculty, or others in control of content for this activity have disclosed any relevant financial relationships with ineligible companies.

In support of improving patient care, Essentia Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Continuing Education Credits:

American Nurses Credentialing Center (ANCC): Essentia Health designates this live activity for a maximum of 1.0 ANCC contact hours.

Participants should claim only the credit commensurate with the extent of their participation in the activity.

Series Overview:

These sessions are designed to deliver up-to-date, evidence-based information on best practices and current treatment updates in oncology care. Tailored for healthcare professionals involved in the care of oncology patients, these sessions highlight the latest advancements in cancer treatment, clinical guidelines, and supportive care strategies. Participants gain practical insights to enhance clinical decision-making, improve patient outcomes, and stay current with the evolving landscape of oncology.

Target Audience:

Nurses (APRN, RN, LPN)

Learner Outcome:

75% of participants will agree or strongly agree to increased knowledge related to the care and treatment of oncology patients that they will apply in their practice as a result of attending one or more sessions in the series.
