

No Solicitation Policy

To maintain a professional and collaborative environment, current PASBA members are prohibited from using their status as a member or meeting attendee to solicit other members, unless they have additionally obtained an PASBA Associate Membership.

Policy Guidelines:

1. **No Unauthorized Solicitation:** PASBA members may not promote, market, or sell any products or services to other members within the organization without an active Associate Membership.
2. **Associate Membership Requirement:** Individuals wishing to market their products or services to members must formally apply for and pay the necessary fees associated with an Associate Membership.
3. **Enforcement and Consequences:** Violation of this policy may result in disciplinary action, including but not limited to warnings, suspension, or termination of membership within the organization and/or fines equivalent to that of an Associate Membership, or event sponsorship.
4. **Reporting Violations:** Any member who feels pressured, or inappropriately solicited, may report the incident confidentially to the PASBA Central Office at pasbaco@dcikansascity.com for review.

This policy is designed to protect the integrity of the association and ensure a fair and professional environment for all members.
