DOM DESTASIO

CHAPTER VICE PRESIDENT

Dominick DeStasio is the Co-Founder and CEO of ForceBuilders, where he partners with organizations to align people, process, and product to build strong foundations for growth and innovation. A seasoned executive and technical leader with over a decade of experience, Dominick builds and leads high-performing, cross-functional software teams, guiding companies through strategic transformation. His leadership spans sales, product development, and operations, with a focus on delivering impactful software solutions. Dominick is passionate about empowering teams to reach their full potential and launch innovative, purpose-driven products.
