DURGA KRISHNAMOORTHY

DIRECTOR OF PROGRAMMING

Durga Krishnamoorthy is a seasoned product management leader with over 12 years of experience building and scaling customer-centric products in retail and financial services. Currently leading product strategy, growth, monetization, and roadmap execution, she delivers solutions that empower B2C and B2B companies to modernize operations and win in digital markets. A Carnegie Mellon University graduate, Durga is deeply committed to elevating the practice of product management across the Pittsburgh region and actively mentors emerging product talent in the community.

WHY PDMA WAS THE RIGHT CHOICE

I've personally experienced how PDMA resources, JPIM journals, and peer community accelerate careers, improve decision-making, and drive better outcomes for product professionals at every career stage across product development and innovation. Therefore, I decided to give back and power the next wave of product leaders.
