## BOARD OF DIRECTORS

pdma  
Pittsburgh

**MIKE ULIZIO**  
**CHAPTER TREASURER**

As a Product Engineering Manager at Kopp Glass, Mike develops a strong understanding of customer needs and works with the Kopp Glass commercial and technical teams to provide innovative solutions for its customers. Mike is a Pittsburgh native and graduate of The Pennsylvania State University where he earned a B.S. in Engineering Science and Mechanics and a B.S. in German, and an M.B.A. with a concentration in Corporate Innovation and Entrepreneurship. He has four years' experience in thin film organic electronics, five years' experience in automotive glass product development, and six years' experience in molded technical glass melting, forming, and testing. He enjoys exploring Pittsburgh and West Virginia while jogging, hiking, biking, and skiing with his friends and his wife, Mallory, and their dog, Carter.
