## 2021 PHCC Legislative Award & PHCC Grassroots Legislative Award

*Legislative Day is Every Day.*

PHCC National will be presenting two government relation awards during the upcoming **PHCCCONNECT2021** conference in Kansas City, Missouri. The awards will be presented during the PHCC PAC event on Wednesday, October 20, 2021.

**PHCC Legislative Award** – demonstrates a legislative goal at the chapter/state level and how that goal was accomplished (even if the project is still in progress)

**PHCC Grassroots Legislative Award** – demonstrates a grassroots legislative goal at the chapter/state level and how that goal was accomplished (even if that project is still in progress)

The purpose of these awards is to recognize outstanding chapter/state and grassroots legislative activity that demonstrates commitment and follow-through in the legislative process.

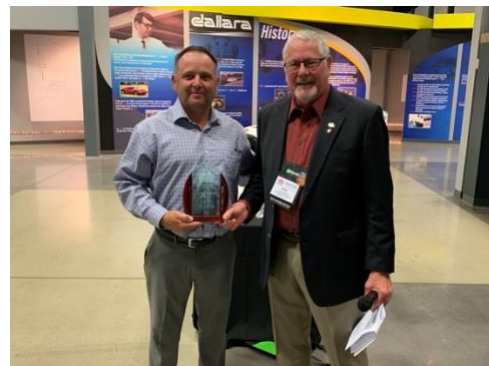

Please submit a written summary (three or more paragraphs) describing both the purpose of the activity and the outcome (including any supporting materials). You may apply for both awards - please note which award you are applying for on your submission. We encourage innovative and creative new ideas and activities.

The deadline for submitting your nomination(s) is **COB Friday, September 17, 2021**. Your submission must be sent directly to Mark Valentini. Winners will be announced at the PAC Event.

### 2019 Winners

*PHCC of Missouri Executive Director Ray Hefner (left) accepts the Legislative Excellence Award*

*Jeff Berndt (left) accepts the Legislative Excellence Award on behalf of PHCC of Iowa*

Thank you in advance for your submissions. If you have any questions or concerns, please contact Mark Valentini using the contact information below.
