

## Policy Paper for the Colonel George D. Scott Award

The Colonel George D. Scott award policy paper and nominating form shall be sent to those individual state associations considering the submittal of a nominee.

The Colonel George D. Scott Award was initiated in 1968 to provide a perpetual memorial for our first president and at the same time recognize a member for meritorious service.

In establishing this award, the Board of Directors designated the responsibility of selecting the recipient to the PHCC Policy Committee. The 1968 Policy Committee provided the following guidelines:

- This meritorious award is created for giving formal recognition to members who have shown outstanding dedication of service to the National association, affiliated associations and to the plumbing-heating-cooling industry.
- Emphasis in selecting nominees should be given to sustained service for any given complete ten-year period with a multiplicity of specific deeds rather than a single outstanding deed. Evaluation should be made of effects and results of a single person's influence.
- An average minimum score of 70 points must be achieved on the combined judged evaluation forms for a candidate to receive the award. *(rev. 10/24/07)*

The background information on this award shows the following eligibility requirements:

- A. Nominees shall be endorsed, and forms submitted by the candidate's local and state association.
- B. Candidates shall be current members of any class of PHCC who shall have been active members continuously for any ten-year period completed in total prior to nomination of the award.
- C. The nominee need not have held any national office or position.
- D. No member may receive this award more than once.
- E. The list of those ineligible (see Policy 1.4.1) shall be noted on the form.

In selecting a nominee, special consideration should be given to the extent of his or her influence and diversity and duration of his or her service. Candidates for this coveted award should be submitted by the local and state association with background information justifying the candidate's qualifications to be a recipient of the award to the PHCC Policy Committee, 180 S. Washington St., Suite 100, Falls Church, VA 22046, no later than 60 days prior to the PHCC Annual Business Meeting.

It was further stipulated by the Executive Committee in June 1977 that this award need not necessarily be an annual award nor presented at each Annual Business Meeting but would be presented only when a candidate met the outstanding service requirements as set forth in the guidelines. If a candidate is selected, presentation will be made at the Annual Business Meeting.

No PHCC sitting officer shall provide a written recommendation for a 282 candidate being considered for the Col. Scott Award. (May, 2019)
